

GIFTS AND GRACES INVENTORY

Coffeyville First United Methodist Church

Name: _____

By the grace of God, we have each been given gifts. We have different interests, different passions and we are called to use these gifts to serve the needs of the world. This survey is intended to identify individual gifts among our community of faith. Please indicate your areas of interest (your gifts). You may not be called upon to serve in a particular area of interest at the present time, but this will let us know how you would like to serve.

The list that follows is not comprehensive, but rather a starting point. Please feel free to add any other gifts or areas of service not mentioned. Thank you for your thoughtful discernment as we continually seek to be the church in mission to the world.

Mark any and all that you would be willing to do. You may prioritize if you wish.
